WHO IS PRESENTING THE "PROBLEM TO SOLUTION" WORKSHOPS?

The "Problem to Solution" workshop series is presented by Sunaina R Jain, PhD, clinical psychologist and founder of Pathways Transition programs, Inc. Since 1980, Dr. Jain has been working with children and families coping with the complex problems of child neglect and abuse within the context of poverty, chaos, limited resources and limited coping skills. Dr. Jain is a frequent presenter and workshop leader, with a particular interest in training professionals who work with children and families, and may not have a mental health background.
